Hello Everyone,

Thank you for visiting the Marine Corps University Foundation's recently launched website. For over 60 years, America's top entertainers have rallied behind our brave men and women in uniform to show their support and to help raise morale. From Bob Hope to Marilyn Monroe, Jay Leno to Aaron Tippin – celebrities have consistently gone the distance to demonstrate their appreciation. Now the tradition continues for a new generation of talent – and for a new generation of American Heroes!

On Sunday, September 7th (9/8c on ABC), USAA presents, ***"America United: In Support of Our Troops,"*** a 2 – hour special salute to those men and women who keep our Great Nation safe ... and their families who sacrifice so much for all of us.

This is an opportunity for us to send a clear message to all of our Uniformed Service Men and Women – ***"America Supports You!"*** We want to bring as many people together as possible behind this common cause so all Soldiers, Marines, Sailors, Airmen, and Coast Guardsmen and their families know that their efforts have not been forgotten and are so very much appreciated. Please join in celebrating their service.

Please tune in as some of the biggest names in the entertainment world perform. Enjoy exciting appearances and performances by Janet Jackson, Snoop Dogg, Pamela Anderson, Toby Keith, Jessica Simpson, DL Hughley, ZZ Top, Clint Black, Kathy Griffin, The Girls Next Door, Carlos Mencia, Joe Nichols, Ali Landry (former Miss America), Sean Merriman (NFL Star), Jordin Sparks, Sam Moore (Sam and Dave), Charlie Wilson (The Gap Band), and more as they take the stage around the country and at military bases worldwide.

This event will entertain, warm the heart and remind us why we are ***"Proud to be Americans."*** Join us in celebrating with a new generation of talent – and for a new generation of American Heroes.

You can send a ***"Message of Hope"*** to the troops, post a photo on the Military Hall of Fame," and even enter a sweepstakes for a \$2,500 shopping spree by logging onto [www.supportamericaunited.com](http://www.supportamericaunited.com).

Thank you,
